Advanced Education in
ENDODONTICS
A Clinical Continuing Education Program

OVERVIEW
The Advanced Education in Endodontics is an eleven month program offering a comprehensive educational experience. The program is intended to increase the participant’s knowledge and endodontic literacy through didactic coursework and enhance skills through clinical experience. The program also emphasizes honing skills in diagnosis, treatment planning, case selection and record-keeping. Participants will have the opportunity to participate in post-graduate case seminars and literature reviews and post-graduate level teaching and research.

SCHEDULE
• This program was developed to be an eleven-month experience beginning July 1 and ending by May 31 each academic year; Mondays through Fridays, from 8 a.m. to 5 p.m. each day.
• Holidays and breaks coincide with the Endodontic Post-Graduate and Residency programs.
• Participants will be allowed eight (8) additional days for personal or sick days.
• The school may also close for severe weather events.

CRITERIA FOR SELECTION
• DDS, DMD or equivalent degree.
• Admission interview.
• See also Admission Requirements on page 3.
• There is one position available each year.

COURSE COMPONENTS/DISCIPLINES
The participant will attend all Post-graduate Residency Program coursework presented by the Department of Endodontics including:
• Endodontic Therapy Lecture Series.
• Endodontic Topic Literature Reviews.
• Current Literature Reviews.
• Endodontic Clinical Case Seminars.
• Textbook Reviews (Medical Emergencies in the Dental Office and Dental Management of the Medically Compromised Patient).

The participant will observe and assist the Endodontic Post-graduate Residents with surgical and non-surgical cases.
The participant will treat Endodontic patients (not exceeding two (2) clinic sessions per week) when it is determined by the director and by Department of Endodontics faculty that he/she has been adequately prepared.

**EVALUATION OF PARTICIPANT**

For satisfactory completion of the program, the Participant must:

- Complete attendance requirements of the program.
- Demonstrate didactic and clinical knowledge in Endodontics as determined by the director and attending faculty in the Department of Endodontics.
- Achieve a minimum grade of 80% on a comprehensive written or oral examination at the conclusion of the program.
- Submit a written paper of publishable quality. The Program Director and Participant will mutually agree upon topic.

**FACILITIES**

The Rutgers School of Dental Medicine is located on the Rutgers Biomedical and Health Sciences Newark Campus. The medical and dental schools, graduate school of biomedical sciences, and the University Hospital are grouped together on an attractive campus with convenient private parking.

Most of the program is conducted with the Post-Graduate Clinic and Resident Conference Room in the Department of Endodontics.
